Re: Compassionate Release/Reduction In Sentence Review

Your request for Compassionate Release/Reduction in Sentence (RIS) has been reviewed pursuant to 18 U.S.C §3582 (c)(1)(A) and Program Statement 5050.50, pages 4-5 (3)(a)(b). Although, you have been diagnosed with or suffer from various medical conditions that could possibly cause you to be more susceptible to contracting the coronavirus, you have a detainer with U.S. Immigration and Customs Enforcement (ICE) and you are not a citizen or national of the United States. Per Program Statement 5050.50, page 12 (7), all unresolved detainers must be reviewed and evaluated. According to recent correspondence with ICE, due to your current Aggravated Felony Conviction, you will be processed by ICE upon completion of your current sentence and transferred to an Immigration Detention Center where it will be determined whether or not you will be removed to your country of origin.

Accordingly, it has been determined you are not appropriate for RIS at this time; however, you may resubmit your request at such time that you meet the criteria mentioned above. If you are not satisfied with this reply, you may submit an appeal in accordance with the provisions set forth in GDWCF Policy 3-E1 within fifteen (15) days of the date of this response.

RE: Requesting Home Detention and Compassionate Release
Due to COVID-19 Consens

Dear Director, WARDEN, Mr: M.FRIEND

On April 3, 2020, Attorney General Barr issued a memorandum to the Director of the Bureau of Prisons finding that, under the Coronavirus Aid, Relief, and economic Security Act ("CARES ACT"), emergency conditions related to the COVID-19 pandemic will materially affect the functioning of the BOP. This finding authorizes the Director of the BOP to lengthen the maximum amount of time a BOP prisoner can serve their sentence in home confinement. Attorney General Barr asks the BOP Director to allow home confinement for prisoners in high risk groups for COVID-19 and/or prisoners at BOP facility where COVID-19 is spreading. The warden and BOP staff can approve this.

The coronavirus disease 2019 (COVID-19) is rapidly spreading in all parts of the United States, including its prisons. There is no vaccine or cure for this deadly disease. The centers for Disease Controls (CDC) recommends protecting oneself from the disease by frequent handwashing, frequent sterilizing of surfaces, and individuals remaining at a distance of at least six feet from each other. It is impossible to do that in this facility.

My name is Urbisio Munguia, BOP# 33922-479, I'm inmate at Giles W. Dalby C. F., I am asking for a compassionate release based on my severe health issues and under the program given by General Attorney Barr, to serve home detention due to COVID-19.

My health issues, I have diabetes, I'm also suffering from hypertension, and obesity and HTN/Cardiac.

I do have a home where to serve my sentence which is located at Mexico. My family reside there as well.

My release plan to put them back to work upon my release. I hope all my health issues are taken into consideration on this special time and situation that we are leaving with this COVID-19 outbreak.

Respectfully,

Urbisio Munguia
